### Travel to the ground

The ground is conveniently located close to Junction 9 of the M25. It is also close to the A24 and accessed via the A3 from the Esher junction. Leatherhead train station is a 15 minute walk from the ground. The cricket club is immediately on your right as you turn into Fetcham Grove and can be accessed by a road next to a skate park. The ground is on the same sports campus as Leatherhead Leisure Centre and Leatherhead Football Club.

### Parking

The club's car park is on the left of the access road.

We operate a one way system which should be clear. We ask that all visitors drive carefully observing a limit of 5mph and show common sense when the access road is busy.

Friday night is the club's junior training night and the ground can become very congested with parking at a premium. If your game is on Friday night we would ask that you park in the Leisure Centre car park which is 50 yards beyond the cricket club entrance on the left.

### Facilities

We have male and female toilets.

On most evenings the bar will be open which serves a variety of snacks and beverage items.

Dogs are allowed but must remain on the lead.
