

JANUARY

Your monthly dose of what's happening at HRCC!

Our Winter Cricket Programmes kick off this month as we prepare for the upcoming 2026 season. We are pleased to have separate senior, boys and women & girls sessions this year, all lead by experienced ECB qualified coaches. So if your new year's resolution is to be a bit more active & get outside with friends, do come along and get your 2026 cricket journey started!

Sponsorship Opportunities

HRCC is looking to engage with new sponsors and partners for the 2026 season. See our [sponsorship brochure](#) for more info.

We are especially interested in speaking with **new shirt sponsors now and before 31 January** so we can confirm arrangements in time for preseason kit orders. Shirt sponsorship is one of our higher value packages so vital for club funds. Any members that can refer a sponsor or sponsor us themselves, please get in touch today!!

There are a range of other packages available (player, team etc.) too. All our sponsorships offer online promotion and boost sponsor brand awareness to our 600+ members and 2.5k+ followers. With thriving men's women's, boys and girls sections, there is no better time to become associated with the Club and be part of its exciting future. Any partner, big or small is very welcome!

New Kit Supplier

We're delighted to announce Hawk Cricket as our new official cricket clothing and kit supplier for the next three years. Already supporting many local clubs, Hawk Cricket are renowned for the quality of their kit and their outstanding customer experience. We are striving to provide a range of modest and premium options for club kit to help manage rising costs for playing cricket. Our new online shop will be up and running in February and more information will be circulated soon!

Cricket Courses

Coaching

HRCC are running a Level 1 coaching course in March. The course runs on 4 consecutive Tuesday evenings from 3 March. We particularly encourage parents and older youth players to get in touch to register. Spaces are first come, first served.

Scorers

HRCC are running introductory scorer courses in the spring, coordinated by Mark Wilshire. Ideal for parent helpers, please get in touch for more info.

Umpires

GCF are delivering a [ECB Umpires course](#) at Archway School in Stroud on Saturday 31 Jan. HRCC will fully cover the cost of the courses if you are able to volunteer in the role(s) for the full 2026 season.

Indoor Roundup

It's been a battling first half of the season for the indoor men's A team who will hope for an upturn in form post Christmas to secure Div 1 status. The B's sit in 3rd in Div 3 with promotion not out of the question.

Our Girls U11, U13 and U15 teams all successfully completed their second seasons in the Glos indoor leagues in Oct/Nov. Our U13 were league winners!  The senior Hawks play in their league through to the end of March. Follow all fixtures on the club website or Play Cricket. Well done to all players who have been representing our teams this winter!
