CASK ALES

1. NEPTUNE BREWERY / SECRET BEACH / 5.5%

In this pairing of Amarillo and Citra hops you will find a double citrusy punch of orange and lemon sitting alongside Ekuanot, which brings hints of earthiness and apple with a light lingering pine finish.

2. NORTH RIDING BREWERY / HONEYCOMB PORTER / 4.5%

Porter using English malt and hops, infused with honeycomb flavouring post fermentation.

3. SURESHOT BREWING / LAZIN' ON A SUNNY AFTERNOON / 4%

Golden ale dry hopped with Fuggles, East Kent Goldings, and Bramling Cross. A quintessential summer session ale. Light, fragrant and effortlessly drinkable. Notes of hedgerow berries, crisp biscuits, and light lychee.

4. VIBRANT FOREST BREWERY / PUPA / 4.5%

Built to sit somewhere between West and East coast, our Symbiosis series focuses on the idea of building on what we knew about hops and how they compliment and contrast against each other. Pupa is the next stage in the evolution. We're taking the hops from the limelight and moving towards the yeasts that play just an important role in flavour. Expect masses of tropical fruits bursting from the can as hops and yeast dance to create a sensual panoply of aromas. Oats lend a luxurious mouthfeel and low bitterness helps to accentuate this beer into a long and juicy finish.
