Dear Members, welcome to the inaugural Club Newsletter!

These Newsletters will be produced on a regular basis with the intention of keeping you informed of the major events and developments across our Club. So, with that in mind, and the cricket season fast approaching, the Committee would at this stage like to advise you of some key personnel changes.

Within the Committee itself, the Club's long-standing Chairman, Ian Rogers has decided to stand down. Ian has had two stints as Chairman, first in the 90's for 7 years and more recently for 15 years. Ian has been instrumental during his tenure for driving the club forward, overseeing seeing the expansion of colts and senior club members. Although Ian has stood down as Chairman, he will still have a keen interest in the club having been elected as a Club President, joining Bill Tyrwhitt-Drake and Alan Pegley. The Committee would like to thank Ian for his long standing commitment. Please feel free to buy Ian a drink this coming season, thanking him for all his support – most likely a Rose!

Additionally, our Club secretary Tony Chick has also elected to stand down following his 12 years of service. Tony joined ACC when Little Kingshill joined back in 2011 and was instrumental in its onboarding. The Committee would like to thank Tony for all of his efforts in supporting the club and wish him well for his future endeavours.

Sadly, it is with a heavy heart, that we must also say goodbye to Madhuka. Madhuka, was with the Club for 11 seasons and played in over 200 matches, scoring just short of 6000 runs at an average of 31, and taking 526 wickets at an average of 13 – not too shabby!. Not only was Madhuka a great attribute on the field for the 1st XI, but he was also a part of the wider club infrastructure, helping out with the underage teams and also coaching many individuals on a one-to-one basis. Madhuka has asked for the following words to be passed on:

"If we start something, there's always an end and I think this is the time. After 11 wonderful years with Amersham, I've decided to move on. I just wanted to say a huge thank you to all the players, parents and members for your support, friendship and kindness over the years. It's been an amazing journey, full of great memories on and off the field. Amersham will always be my second home and I'm so grateful for everything the club has given me. Wishing you all the very best for the future. We'll definitely keep in touch and I'm sure we'll meet again soon."

The Committee would like to take this opportunity to thank Madhuka for his commitment to the club over the years – they were immeasurable and you leave us with some fantastic memories on, and off the field! We wish you all the best for the future and look forward to catching up again in the future!

Following these departures, Chris Fleming and Renny Adams will take over as joint Co-Chairs of the club. Both have been involved with the Committee and played for the club over a number of years and are very much looking forward to moving the club forward. Joining them on the Committee is Adam Francis, who will replace Tony as Club Secretary. Adam is a regular player in the 1st XI and member of the MCC. One final addition in the Committee is the re-appointment of Amit Kochhar as Colts Chairman. Amit has been heavily involved with our colts in the recent past and it is great to have him back in the fold. The remainder of the Committee remain: Sarita Coultate (Child Welfare Officer), Paul Weston (Treasurer), Andy Viney, Matthew Chapmen (Player Representatives), Stuart Rogers (Membership Secretary).

The Committee are delighted to announce that Jack Mockford will be joining us from Christchurch, NZ for the 2026 season. Jack is a right handed middle order batsmen and leg spin bowler. He has represented Otago A in NZ domestic cricket, and now plays premier league cricket for the Old Boys Collegians club in Christchurch. Jack is a school teacher and also an ECB Level 2 equivalent coach, so will therefore assume responsibility for Madhuka's coaching role. Jack will also be joined by his girlfriend Tatiana, both of whom have represented NZ in indoor cricket. We're very excited to welcome them both to the club for the 2026 season.

We have the privilege to play and spectate at one of the county's most beautiful grounds. However, the Club needs your continual support, not only via the player membership but also through volunteering, sponsorship/donations and most importantly, by keeping the club spirit alive through supporting club activities and events. The costs of running cricket clubs has increased dramatically over the recent years, however despite this, you will be pleased to hear that the Committee elected in December to keep subscription costs unchanged for the 2026 season. However, minimising any potential future uplifts, will very much depend upon everyone pulling together, in order for us to continue providing the facilities and infrastructure our cricketers, and supporters require.

The Committee is very keen to promote better communication, not only within the Club's immediate community, but also the wider Amersham area. This Newsletter is an example of this, and will be a frequent feature, but please also see the links below links for recent articles published in YourAmersham – in case you haven't seen them!

We look forward to delivering more good news in the coming months, particularly on the developments of exciting fundraising events, but in the meantime, please get in contact should you require any further information.

Kind Regards

The Committee
